Moss Point, MS 39563

Dear Ms. Strickland:

Your name and address was obtained from your book "Records of Wayne County, MS", copied pages of which were sent to me by a researcher friend from the National Archives.

If you do research for others, please let me know how much you charge as I am stuck in MS and don't know what to do next. Specifically, I am trying to find information about my father's family.

According to the 1900 Federal Census for Wayne County, John P. HARRIS was born in MS Sept. 1845, his wife was Martha A. born June 1854 and they had been married 23 years. By the time of the Wayne Co. 1910 census, Martha was a widow, living with my father, George, aged 17, and running a boarding house.

I have been unable to find any vital records for these people nor the names of my other Harris antecedents. Enclosed is an S.A.S.E. for your convenience in replying.

Can you help me?

Very truly yours

Dear Ms Rookaird:

This will acknowledge receipt of your letter of August 11, 1992 regarding the Harris family of Wayne County, MS.

I do not, at this time, have time to do research for others. I work full time as the Genealogy and Local History Librarian at the Pascagoula Public Library.

I am familiar with your family as I am of most families in Wayne County, MS. It has been a hard family to obtain information on.

The library maintains vertical files on families and I am enclosing copies of material from them on your families.

We charge 15¢ per copy and postage. I have enclosed 24 copies of material on your families. Total cost is \$5.00. \$3.60 for copies and \$1.40 for postage.

If we can be of further service, please let us know.

Sincerely yours,

Jean Strickland
